The map displays the 2024 Donau-Regatta route, starting at the 'START/ZIEL' (Start/Finish) line near Baggersee in Ingolstadt and ending at Egweil. The route is marked with a red line and a blue line, indicating different paths or stages. Key locations along the route include Gerolfing, Dünzlau, Mühlhausen, Pettenhofen, Hennenweidach, Unterstall, and Egweil. The Danube River (Donau) is shown flowing through the area, with several lakes and ponds (e.g., Irgertheimer See, Albschüttsee, Schafirsee, Aich) visible. The map also shows various roads (e.g., ST 2043, ST 2214, ST 2035) and landmarks (e.g., Speckgraben, Schutterflutkanal, Schutter). Two inset images in the top right corner provide a closer look at the route's proximity to buildings and the riverbank.
